SPECIFICATIONS

Model MTG.3501 is four 6" (15.2 cm) galvanized steel anchors along with four 5/8" x 1-1/2" (1.6 x 3.8 cm) stainless steel bolts and stainless steel washers. Available for use on heavy-duty 3500 series pedestal fountains.

APPLICATIONS

Haws produces mounting plates and frames to assist in the installation process as well as to provide solid bases for the wall mounted designed fountains. Mounting plates and frames meet the requirements solely for the specified applicable fountains and are not designed to be used in the installation of any unspecified fountain.
